## **Shooting Competition News;**

### **100 Registered Sporting 20th July 2008.**

Thanks to the relevant staff at HQ the event wasn't put into "fixtures" so unfortunately we had a low entry to this event.

The course was the result of Dick & Fletch getting together to come up with an array of challenging targets, they started us off with a couple of tricky ones on stands 2 & 3, took us to the Embankment, to Clubhouse and then up to the 121, there was only 2 Tower stands which made things easier for those who haven't mastered the tower targets yet.

The weather stayed fine though apart from some strong gusts of wind which added to the losses in places. Ed Solomons went out early and shot 88 which proved to be enough to take the High Gun Prize of £100, Dave Gooding was only 1 target behind on 87, Matt Sheppard had a good nights sleep and as a result took A class with 80, Colin Cousins & Ben Pay took Joint 1st in B and Dave Quince nailed C with 67.

### **Summer High Tower Challenge 2008, sponsored by Hull Cartridge Company.**

The Challenge this year proved to be very successful attracting some 380 entries across the classes, Andrew used a different format this year in that there were only "full use" targets on stands 1 & 5 rather than every stands as in previous years, he put on some very long targets from the tower and that cursed "D" teal, combinations were clever mixing very close and very far, slow & quick targets as report pairs, Andrew had set the course to be won with 44/45, although some could see a 47!! On the whole the layout was well received with some favorable comments being received in the clubhouse.

This years High Tower Supremo was **Simon Warbrick-Smith** with an impressive 44, Simon held the lead for 4 ½ weeks after beating **Martin Myers`s** 42 which was shot 4 days earlier. Which left **Ed Solomons** to take Pro Class (AAA & AA) High Gun, **Tony Leonard** Open cash class (A and below) and **Andy Nixon** High Gun in Cartridge Class (B class and below).

Many of the countries top shots tried and failed to knock him off the top spot even at the 11th hour, just take a look at the names on the list and you will see what an impressive win it was!

Well done Simon.

Total prize fund this year was £1930.00 which included 1000 Hull Pro One cartridges

## **Corporate News;**

***-Breaking the "Norm" and still Bang on Target.***

With many companies feeling the pinch and a general malaise throughout the corporate world we're very pleased to let you know that Sporting Targets is bucking the trend and having a great year. Membership is up; the shop is busy but so too are sales of group events. At a time when you could be forgiven for assuming that companies are reeling in the budgets, they are actually clearly seeing the benefits and value in entertaining customers and rewarding staff.

So far this year we have had three record breaking months for bookings and we are taking on new staff to ensure that we can still maintain the highest of standards. Standards that our customers have come to expect.

With events recently held by IBM, Autoglass, Unilever, Kier, Waitrose, Natwest and Fuji, you can see that many "blue chip" companies are keen to let us spoil their customers with the best of activities, the finest of food and the warmest of welcomes.

But, it's not just the "big boys" who can benefit from (or afford) a bit of corporate entertainment. With events from as little as £45 per head inc. vat, it can be tremendous value for money as well. Many smaller companies are treating important staff or key clients to a days shooting or a mixture of fun activities (including our varied choice of motorised activities).

We also have a new [video](#) on our website so that you can actually see the activities in action, or follow this link for more information on our Corporate events:-

### **Corporate Events Information**

As always, if you would like to discuss how Sporting Targets can improve your relations with customers and staff contact Jim, who is dedicated to making sure you make the most of your entertainment budget, at a time when it's never been more important.

## **Reception News;**

**Reception Update-** For those of you that have been into the clubhouse recently you will have noticed our new faces on reception. We now have Nina and Gillian who look after the reception desk in the afternoons during the week and at the weekends. Both have settled nicely into their new posts, thank you to all our customers in making them feel at home, Angela has helped them greatly to settle in, Angela has overseen reception for sometime and is now part of the furniture!

The reception team look forward to welcoming you at Sporting Targets very soon and have a coffee waiting!

**Bored Children?-** Now the school holidays have arrived and the kids have all this spare time on their hands, why not treat them to a lesson with one of our instructors, you can choose either Clay Shooting, Archery or Air Rifles. Lessons need to be booked in advance and can be ½ hour to all day depending on how much of a breather you need!!.

Please call reception on 01234 708893 for availability.

**Late Night Shooting-** With our 'amazing' summer rapidly passing us by, may we remind you of our late night opening during summer time only where we stay open until 8pm. Enjoy the after hours shooting while it lasts!

### **Junior fundraising raffle-**

Thank you for all of those that have purchased CPSA raffle tickets so far. There are still tickets available and some great prizes to be won, tickets are £5 and are limited. Prizes include a £50 Tesco voucher, Cartridges, Practice here at Sporting Targets and bottles of bubbly. Tickets available at Reception so please help us to support and develop the juniors within the county and buy as many tickets as you can, you may just be lucky!!
